

# Successful projects Are built with teamwork.

**It's really quite simple.** Successful projects happen when Labor and Management share the same priorities. And when the highest priority is having a team of safe, well-trained workers on the jobsite, those projects are completed on time and on budget.

So who keeps everyone on target? We do.

**We're the Indiana, Illinois, Iowa Foundation for Fair Contracting.**

We bring Labor and Management together to assist public bodies and contractors with OSHA, contract compliance and other contracting matters, while striving to secure work for responsible contractors.
