

We have issues.

OSHA. Contracting compliance. Worker's compensation. It's difficult to stay current on the latest construction industry issues and still run your day-to-day operations.

So, who has the time to monitor it all?
We do.

Introducing **The Monitor** from the **Indiana, Illinois and Iowa Foundation For Fair Contracting.**

It's a free, quarterly newsletter designed to keep labor, management and public bodies in stride with the biggest issues facing our industry.
